Tolland Football Club

2009 was a very successful year for Tolland FC. The Senior results were exceptional with premiership victories in the 1st Grade Pascoe Cup, the Women's team won the Madden Shield and the 3rd Grade won the Nankivill Cup for the 4th year straight. The club was represented in the Junior semi finals in all grades except one, a fine achievement for 2009, winning the under 16's Grand Final and finishing Runner Up in the under 11's and 15's.

Whilst these results for the club were fantastic, we are also kicking goals off the field with work due to start soon on the re-development of Kessler Park to make this the clubs home ground from 2010 onwards. With lighting and ground improvements being done with assistance from Wagga Wagga City Council and from the club volunteers and also generous support from local businesses connected with Tolland FC.

We are one of Wagga Wagga's biggest clubs with just over 420 players in Junior, Women's and Men's Teams with ages ranging from 5yrs to 50yrs+ making us truly a "family club". It is a unique situation to start your career in the Small Sided Games as a 5yr old and be able to stay with one club right through till you retire!! Not many sporting clubs would be able to offer that to it's players and supporters.

We would like to take this opportunity to thank the Rules Club for their support over the last few years and we look forward to the 2010 season.
